after deducting the shares required to be exchanged to pay tax obligations) received under Company equity awards until the senior executives have met the relevant ownership guideline.

For purposes of determining share ownership levels, only the following forms of our equity interests are taken into account:

- shares owned directly (including restricted shares); and
 unvested restricted stock units.

Currently, all NEOs are in compliance with our guidelines. The following table summarizes NEO ownership of our common shares as of December 31, 2021 (the last trading day of the year).
