

from Japan. The transplants like the steel from Japan. The transplants from Korea like the steel from Korea. Same thing with the Germans. The specifications are written abroad. Even companies that are members of the Detroit Three, one of them has headquarters in Euro hthuree, oto

Laurencio Goncalves: I negotiate with the other party. I don't negotiate through the press. But I appreciate the opportunity to not only explain the deal but also to say loud and clear that our partnership with the USW, the union, is iron clad. There is no daylight between mysn, and n nsttuay.H is md partnø, andtwo
