remediation costs at this site. The Company participated in a RI/FS of this site, which study has been completed and is being reviewed by the Michigan Department of Environmental Quality. The Company has joined with the other potentially responsible parties in an interim removal action at the site

Silver Bay Power Company, an indirect subsidiary of the Company, provides the majority of Northshore's energy requirements, has an interchange agreement with Minnesota Power & Light Company for backup power and sells 40 megawatts of excess power capacity to Northern States Power Company. The contract with Northern States Power extends to the year 2011. Effective November 1, 1995, the interchange agreement was extended to October 31, 2000 to provide additional backup power and other cost-effective services.

Wabush Mines owns a portion of the Twin Falls Hydro Generation facility which provides power for Wabush's mining operations in ccccccc .
